Quality Certification

The Consultant for this development needs to operate under a quality management system, Certified to Australian Standard AS/NZS ISO 9001

Formal Plan of Subdivision

To complete the application, you need to provide a formal plan of subdivision that has:

- All lots numbered.
- Crown Land and/or reserves labelled.
- Super or stage lots indicated.
- Lot areas shown, including areas of roads and reserves.
- Road names shown.
- Contours and spot levels included.
- Outlines of existing buildings shown.

Note: A current signed copy of the Planning Permit is to be submitted with this application

A hard copy of the plan is required for all developments. The plan is also required in digital format for developments with 10 or more lots. Plans provided in digital format need to comply with Central Highlands Water's Survey Manual.

Note: A hard and/or digital (PDF) copy of preliminary design plans detailing the Sewer and Water information, if available is also required.
