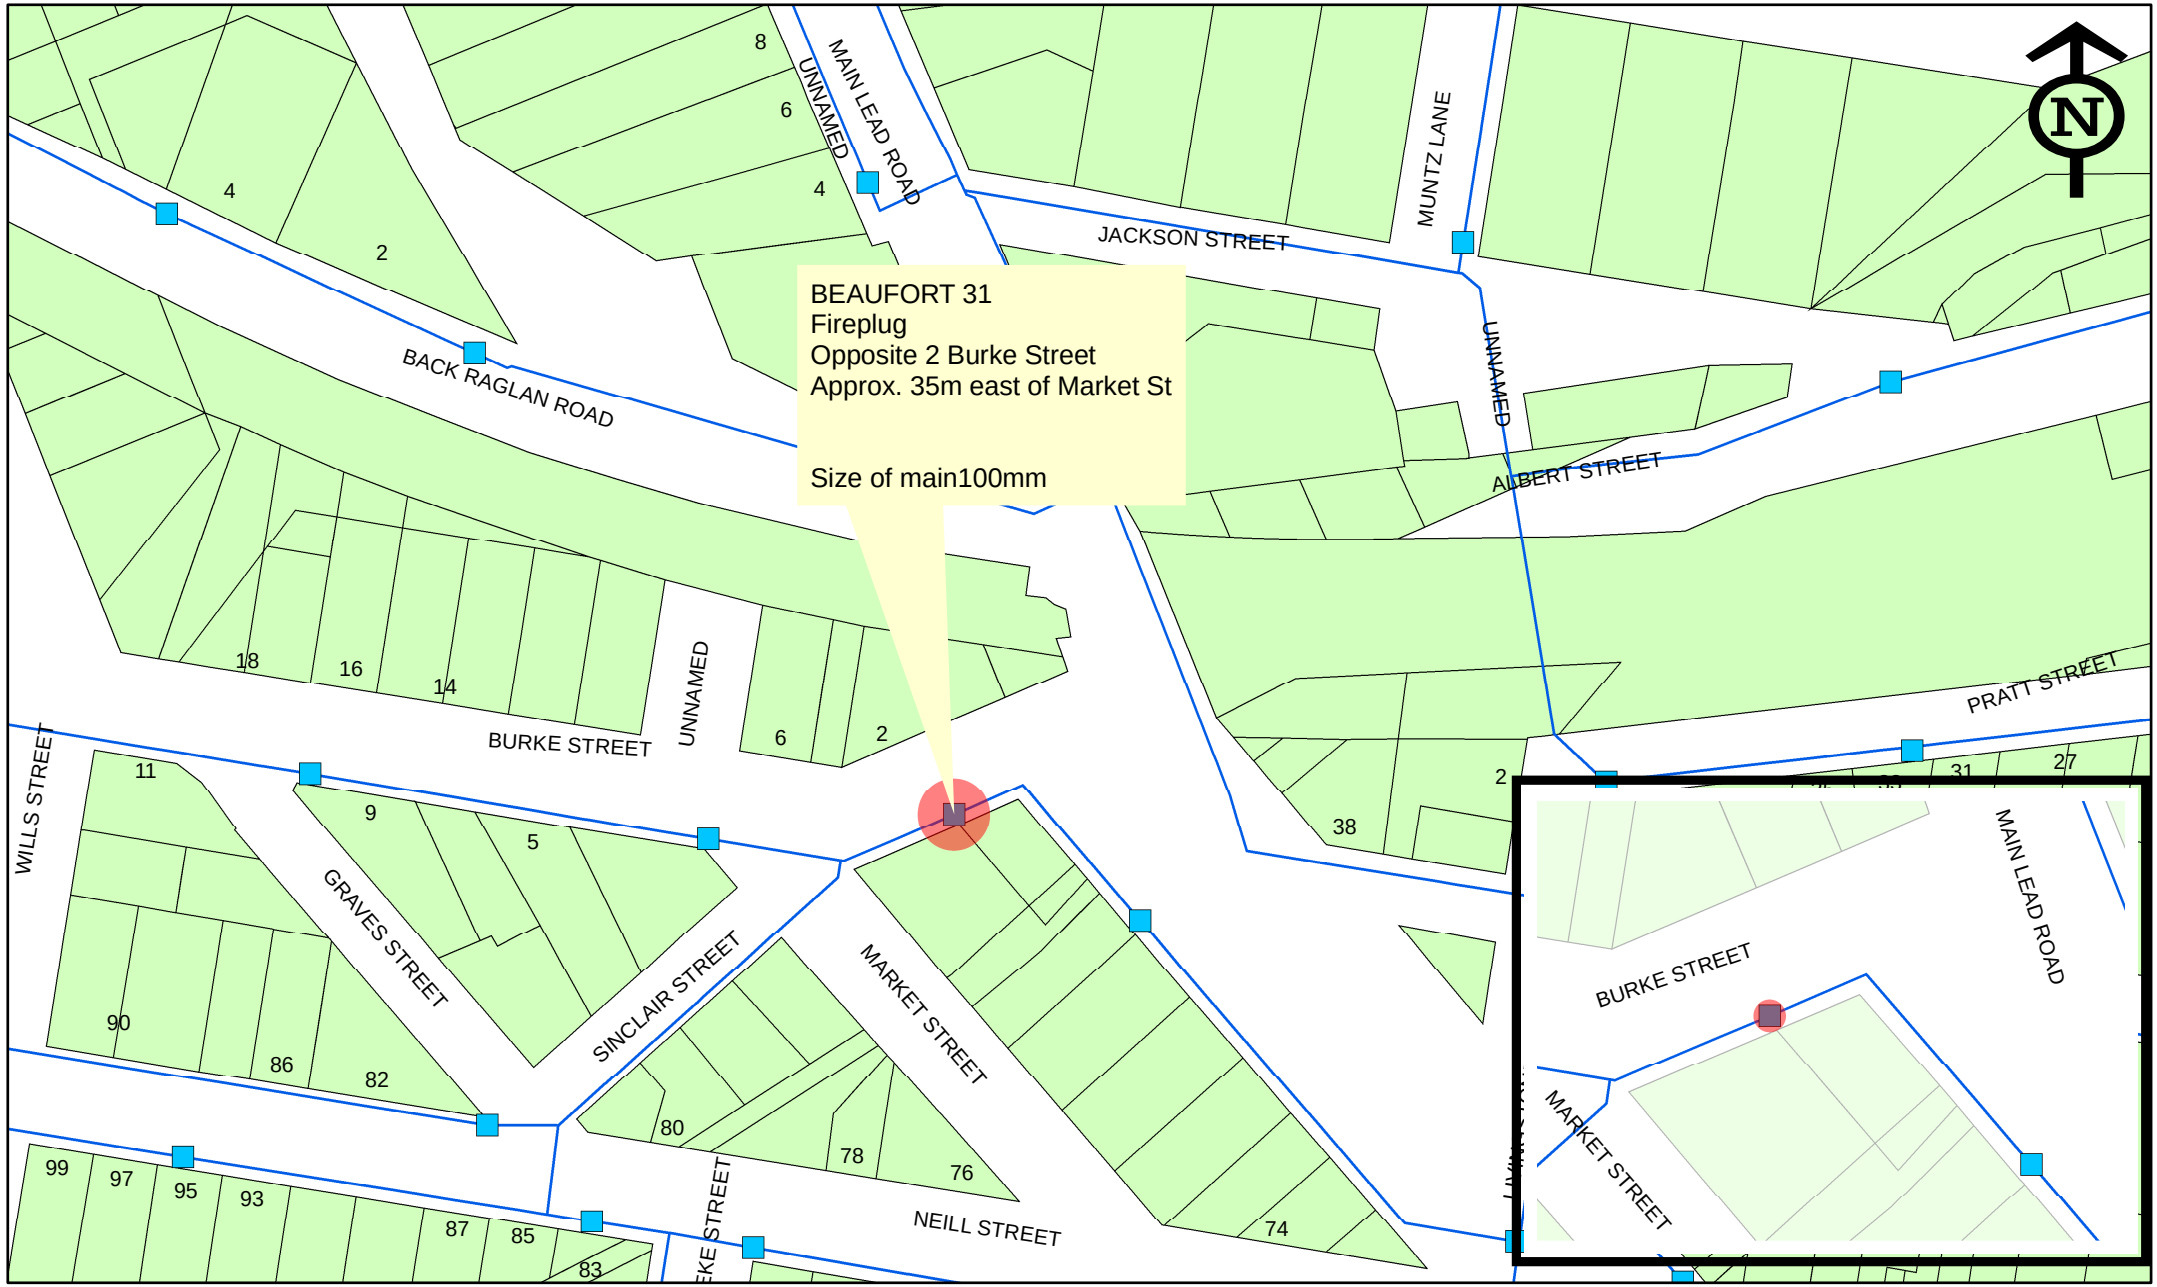
CENTRAL HIGHLANDS WATER - FIRE PLUG AND STANDPIPE LOCATIONS



PLEASE NOTE: Central Highlands Water has taken care to ensure that the locations of pipes and assets shown on this plan are accurate. However, some variations from records do exist and complete accuracy cannot be guaranteed. In all instances it is essential that the position of the pipes concerned be proved on site by field survey and hand excavation. It is an offence to destroy, alter or in any way interfere with any works or property of CHW (Water Act, 1989 Section 288).
